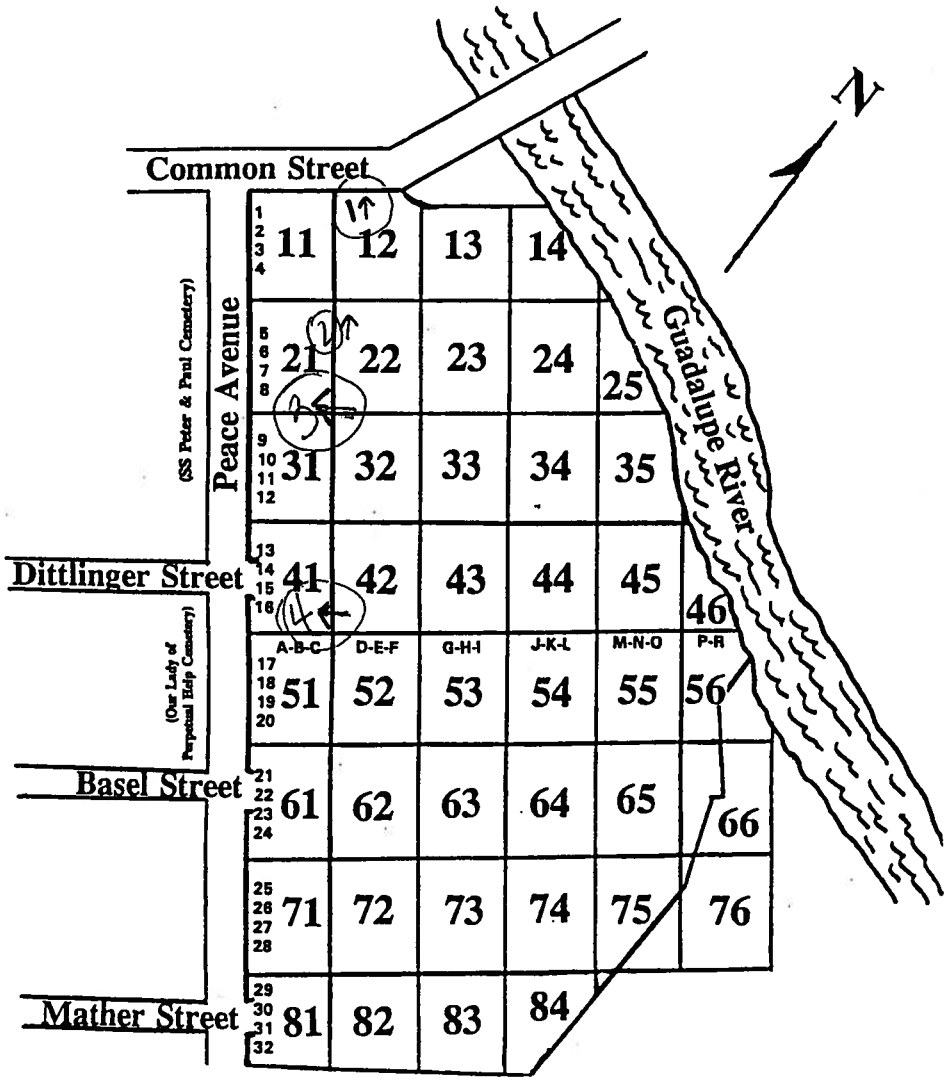
COMAL CEMETERY QUADRANT MAPS



LARGE NUMBERS = MAP NUMBER
Small Numbers = Horizontal Coordinates
Small Letters = Vertical Coordinates
See NAME INDEX for Map Numbers and Coordinates.
Each Map has Twelve Sections 50 ft. by 50 ft.

Map Credits to Dee Brannen
Map enhancement by Everett Fey

Each Quadrant Map (Large Numbers) is divided into 12 Sections. (One Section is physically 50 feet by 50 feet.) Each Section has a specific unique Alpha (Vertical coordinate) and Numeric (Horizontal coordinate) Coordinate. The specific location of each known grave can be found by looking up the name of the deceased, corresponding Quadrant Map number, and Section Coordinate in the Name Index Section of this publication.
