SEPTEMBER 29, 2015:

NEW BRAUNFELS — The Comal County Public Health Office will conduct a plague-response exercise Friday morning as part of a larger training coordinated through the Texas Department of State Health Services Region 8 in San Antonio.

The exercise, which will practice the dispensing of antibiotics to residents in the event of a plague outbreak, will take place from 8 a.m.-noon Friday, Oct. 2, at Tree of Life Church, 5513 Interstate 35 Frontage Road, New Braunfels.

Residents will drive through, be given forms to fill out, then pull through to dispensing stations, where they will return the forms and receive the “medication.”
