**County residents eligible for federal flood-damage aid**

**FOR IMMEDIATE RELEASE, DECEMBER 2, 2015:**

*NEW BRAUNFELS* — Comal County residents whose residences or businesses suffered damage in the Oct. 30 flood will be able to register with federal agencies next week for reimbursement grants and long-term, low-interest loans.

Case workers from the Federal Emergency Management Agency (FEMA) and Small Business Administration (SBA) will be in the Comal County Courthouse from 8 a.m. – 5 p.m. Monday-Friday, Dec. 7-11, to answer questions and help those who have not yet registered for individual assistance to do so.

The county was one of 15 named in a federal disaster declaration signed last week by President Obama.

“We want to make it as easy as possible for Comal County residents who experienced flood damage to recover,” said Jeff Kelley, the county’s emergency management coordinator. “If anyone has any questions or concerns about the process, or has not registered with FEMA yet, this is the perfect time to come to the courthouse and get those questions answered.”

The registration process is open to all Comal County home and business owners affected by the Oct. 30 flooding, including those inside the Bulverde, Garden Ridge and New Braunfels city limits.

Kelley said about 100 homes and businesses countywide were damaged by the flood.
