Public Health Office to throw Spring Fling for infant immunization week

FOR IMMEDIATE RELEASE, APRIL 19, 2016:

NEW BRAUNFELS — The Comal County Office of Public Health is celebrating National Infant Immunization Week by hosting a free Spring Fling for the public Friday, April 22.

The event will include \$15 vaccinations for qualified uninsured or underinsured children, as well as a drawing for free passes to Schlitterbahn, height and weight measurements, hand-washing demonstrations, information about summer and water-borne illnesses, and fun activities.

“We are excited to welcome the public to our new offices and provide the Texas Vaccines for Children to those families who qualify based on their income level and insurance status,” said Sherry Lockley, Immunization Program Manager for the Public Health Office. “Everyone is invited to come out and have a good time.”

The event will be at the Comal County Office of Public Health, 1297 Church Hill Drive in New Braunfels, from 1-4 p.m., off Loop 337 behind Church Hill Middle School.

Parents unsure if their children qualify for the vaccines can call 830-221-1150 to determine eligibility.
