Public Health Office to hold open house at new location

FOR IMMEDIATE RELEASE, JUNE 15, 2016:

NEW BRAUNFELS — The Comal County Office of Public Health invites the public to an open house at its new location on Church Hill Drive in New Braunfels.

The open house will be from 10 a.m. to 2 p.m. Friday, June 24, at 1297 Church Hill Drive. The open house provides an opportunity to see the new office, which opened in the fall, as well as receive information on services the office provides – and the chance to win a pair of passes to Schlitterbahn.

“We hope everyone will come and celebrate with us in our new space,” said Public Health Director Gwen Mills. “We’ll be providing information on back-to-school vaccines and other services, and have healthy snacks available for kids.”

The Comal County Office of Public Health offers vaccinations, health education and other services, from its new offices. It moved in October from the Landa Building in downtown New Braunfels to its renovated location, an 8,000-square-foot wing of the Goodwin Annex.
