### **Public Health offers after-hours vaccinations**

**FOR IMMEDIATE RELEASE, AUGUST 5, 2016:**

*NEW BRAUNFELS* — The Comal County Office of Public Health will extend its hours beginning next week to provide back-to-school vaccinations by appointment.

The office will be open until 6:30 p.m. Tuesday, Aug. 9; Tuesday, Aug. 16; and Thursday, Aug. 18. Comal County residents should call 830-221-1150 to make an appointment. The office also provides vaccinations during regular business hours every weekday.

Clients should bring an immunization record or a note from the school nurse, and students must have eaten an hour before the appointment. The office, located at 1297 Church Hill Drive in New Braunfels, accepts Medicaid, CHIP, Blue Cross Blue Shield and cash. Call ahead with any questions about cost or coverage.

“If your child needs to get vaccinated before going back to school, this is a great opportunity to make an appointment most convenient for you,” said Gwen Mills, director of public health. “And don’t forget that grown-ups need vaccines, too, and we also provide those for parents, grandparents and other family members who want to stay healthy and protect their loved ones.”
