SHADE STRUCTURES AT BULVERDE LITTLE LEAGUE FIELDS
Questions & Answers II**

1. Which of the two shade structures are you requesting to be 20' high?

The 20' tall shade structures will be for the stands located on Field E.

2. On the 20' structure, is 20' the lowest point of the shade structure? This would then reach approximately 25'-26' at the peak.

20' would be the lowest point.
